

My name is Jason Mattson. I am 28 a year old husband and father of one who has been riding motorcycles since the age of four. I have been racing competitively for the past four years and I am really looking forward to the up coming race season in District 14, District 16 and a handful of National Enduros. For this season I will be racing a 2005 dealer edition Gas Gas 250, from LeMoine's Motorsports in Negaunee, Michigan. With this in mind, I am writing you to request any support or assistance that may be available through the race support program. I consider myself a very self-motivated person who takes my racing very seriously. During the off season, I maintain a strict workout schedule, consisting of strength and weight training along with a healthy diet to prepare for the upcoming race year. I am very active in the winter with extreme snowmobiling using a "Snowhawk" 600 HO. I would like to share with you the results of my past four years of competitive racing. I am currently sponsored by LeMOINE'S MOTORSPORTS, EXCON FREERIDE, GAS-GAS, HEBO, VIOSPORT, and AMSOIL.
